

PetMate

*Quality, professional and affordable pet care
for Lincoln and the surrounding area.*

We all love our pets but there are times when we cannot be there for them - that's where I can help! I am an enthusiastic animal-lover with many years experience of caring for animals.

Whether you are at work or on holiday or just away on a short break or day-trip, I can offer:

- ◆ Regular or occasional dog-walking, exercising and companionship.
- ◆ Home visits to animals for toilet breaks, feeding, watering and petting.
- ◆ Visits to tend to the needs of smaller animals - cleaning cages, changing food and water.
- ◆ Home-boarding provides your animal with a caring and less stressful home environment for your pet.

*The service provided can be customised to
suit the needs of your individual pet*

Member of the National Association of Registered Pet-Sitters
